A 2 Z Press has a collection of faith-based books with many valuable messages for our young and older readers.

There are many exciting titles to choose from at Bestlittleonlinebookstore and Amazon.

This week *'Lighting Candles 1 2 and 3, The 23<sup>rd</sup> Psalm, Love Letter From God, and Divine Designs.'* Are being presented for all to be inspired to know God more and more.

These books are filled with colorful pictures and wonderfully crafted stories to bring messages filled with happiness and positive values to instill in children and readers of all ages.

Take a look at our books!

# *Lighting Candles*

Lighting Candles 1 is a  
30 +2 day devotional  
with faith – based  
topics and pages that  
follow each devotion  
for self-reflection!

The stories range from knowing God – like this river rafting picture that is exhilarating – but I feel knowing God is most exhilarating thing I have ever known!.

And thoughts about how  
God's Word is always  
teaching us new things  
every time we open to read!

And about how Jesus died to  
forgive all for all of us so we  
need to forgive others as well.

3 Nails =

4 Given

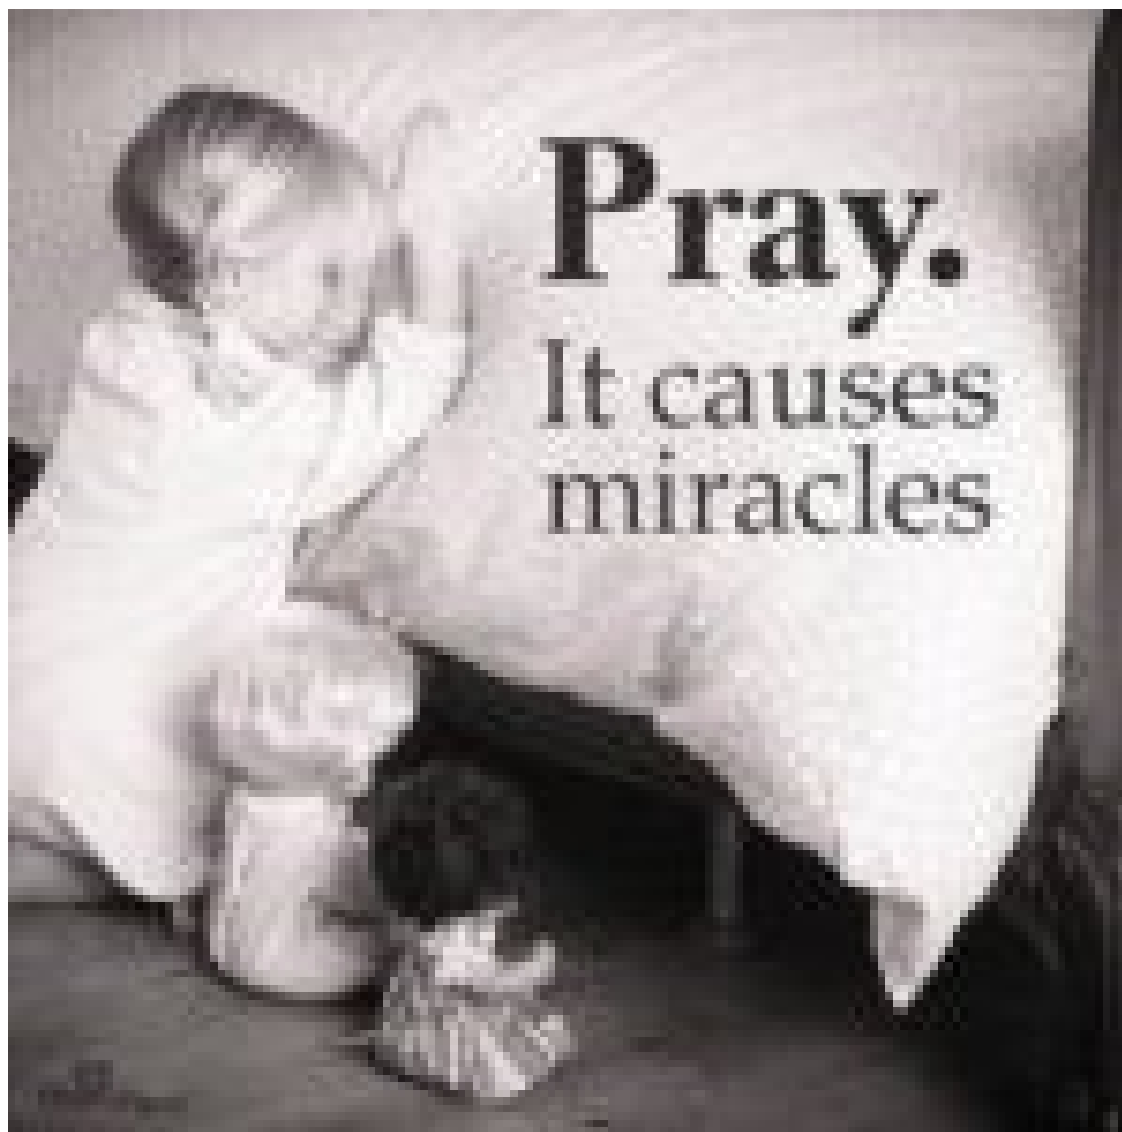

Charcoal fires are discussed as well. I've heard we curse the darkness, but we don't always want someone to light a candle. See what the charcoal fires mean in our lives.

Lighting Candles 2 is about many more faith-based topics – another 30 + 2 day devotional with pages for self-reflection.

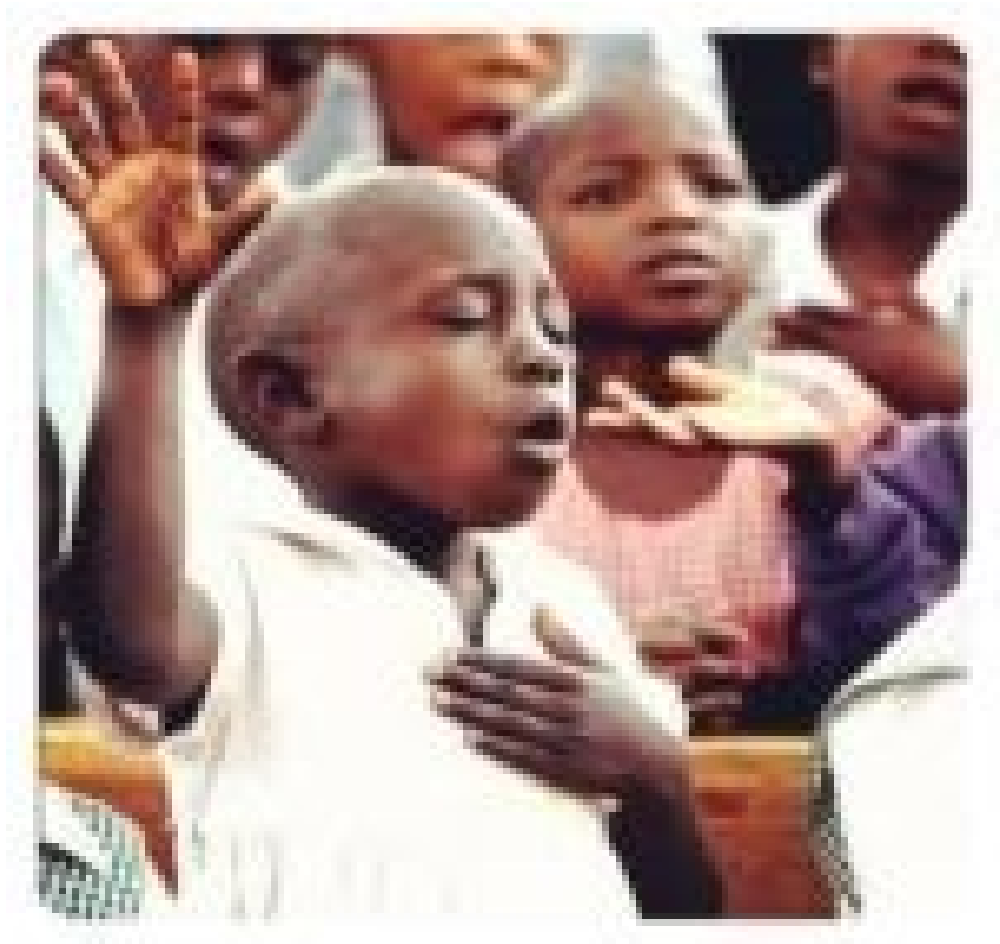

With short stories of how much prayer does for each of us and those we love and pray for.

Weapons of our warfare  
are praise and worship  
because we know we  
are not fighting flesh  
and blood.....

And many of us feel like a hypocrite at times – an imposter for sure. But God knows we are looking to Him for help always.

And we talk about  
peace – a great gift from  
God for sure. His peace.

# Lighting Candles 3

Lighting Candles 3 is the third in the series of 30 + 2 Devotionals with pages for self- reflection.

With stories like one of my favorites to inspire faith like when the ax floated and the man of God had faith to pray for the ax to float so it could be retrieved.

And stories to  
encourage all of us to  
trust because we truly  
can trust the Man Who  
died for us.

And the 911 funny story about the patients who called 911 for the 'bedpan' but, even though we can chuckle. God does come when we call 911 in life.

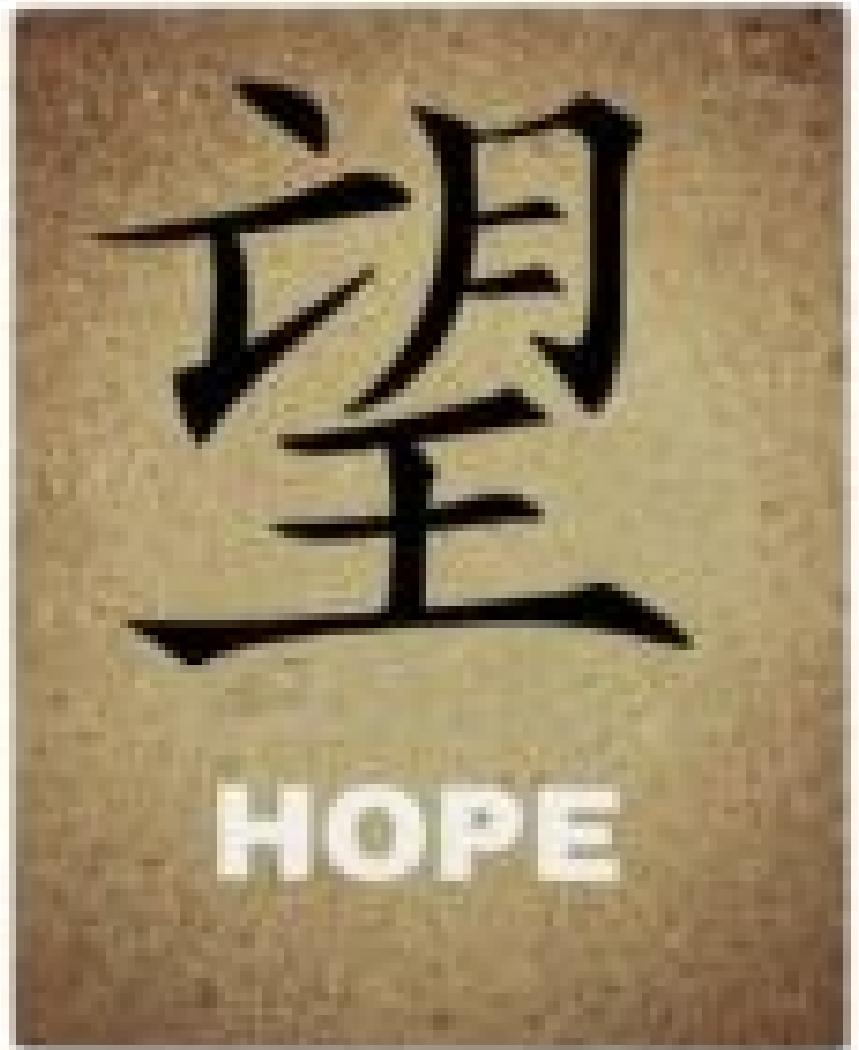

....and stories to help us  
always be truly thankful....

...and never lose our hope  
or hope for others....

A young, light-colored lamb stands in a field, looking back over its shoulder towards the camera. The background is a soft-focus landscape with trees and a bright light source, possibly the sun, creating a warm, golden glow. The lamb's wool is soft and textured, and its legs are thin and delicate.

## The 23<sup>rd</sup> Psalm

The 23<sup>rd</sup> Psalm is my  
very favorite –it's  
filled with so much  
in 6 short verses !

...to guide, protect,  
and love me...

I shall not  
lack...  
Psalm 23.1b

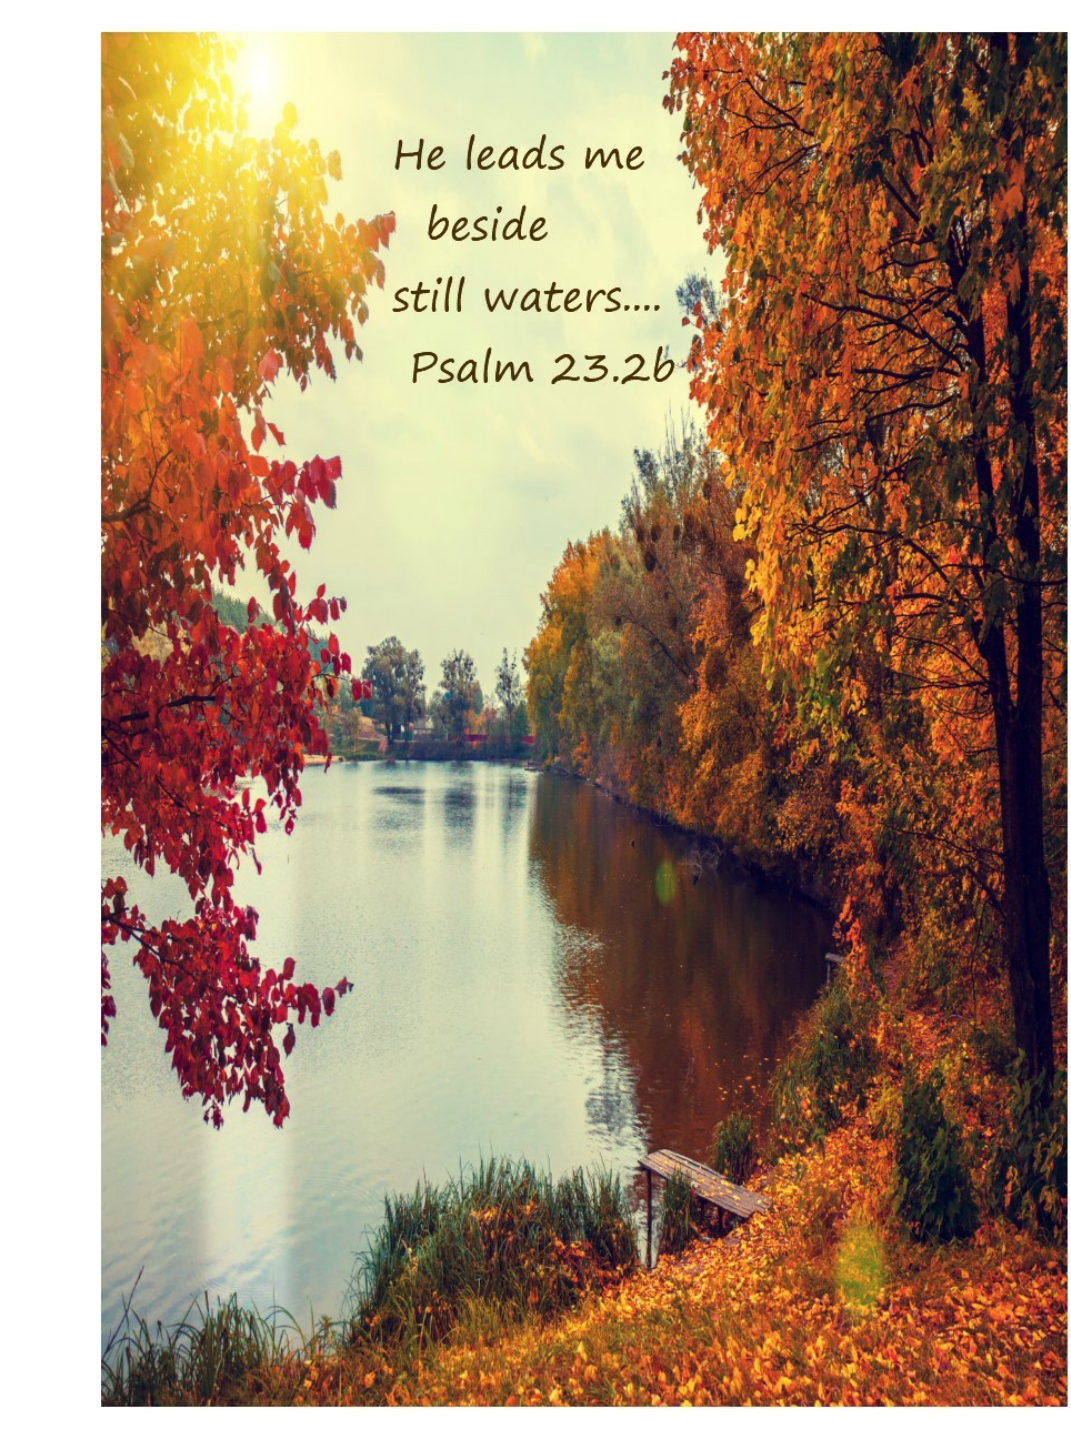

Because He meets all  
my needs....

...so I give all my cares  
to Him....

*He makes me lie  
down in green pastures...  
Psalm 23.2a*

He leads me  
beside  
still waters...  
Psalm 23.2b

So I can experience His  
peace and the  
assurance of His love...

To wholeness  
of soul

He restores  
my soul....  
Psalm 23.3a

## *Love Letter From God*

Love Letter From God  
is all about God loving  
YOU with cute pictures  
and scriptures and  
songs to encourage  
you today and know  
you are loved.

*More than anything in the world, I want you to know that I love you with an everlasting love - a love that makes **you** the focus of all My attention. Your heart and you are My most precious possessions. Jeremiah 31.3.*

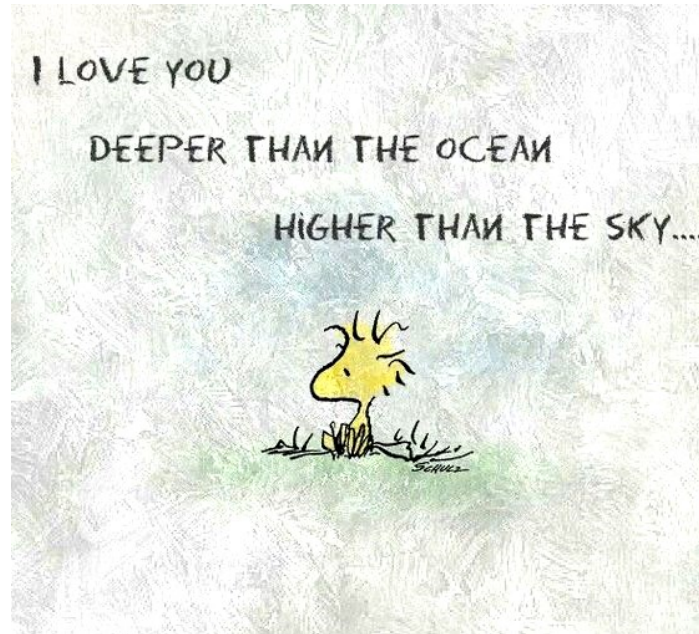

*I know that the deep, deep, very deep need of your heart is to feel loved. I know you have struggled with feeling unloved often in your life. I want you to know My love.*

*Today, google the song, 'The Steadfast Love of the Lord Never Ceases' and bask in its truth.*

*Lamentations 3.22-23*

*But your talents are not where your true and lasting value are and the reasons I love you. I love you because you are you and you are Mine. I set unbelievable value on your distinctness . When I talk about ‘losing yourself’ I mean for you to abandon the clamour of self-will - once you do that, I give you back all YOUR personality and boast that when you are wholly Mine, you are more YOURSELF than ever—the you I created to be specially and ONLY you.*

*Today please google ‘He Knows My Name’  
sung by Don Moen*

*Remember, though the mountains should depart and the hills be shaken or removed, yet My love and kindness shall not depart from you, nor shall My covenant of peace and completeness be removed, says I, the Lord, Who has compassion on you, My child. Isaiah 54.10*

*Today please google 'The God You Are'  
by Josh Baldwin*

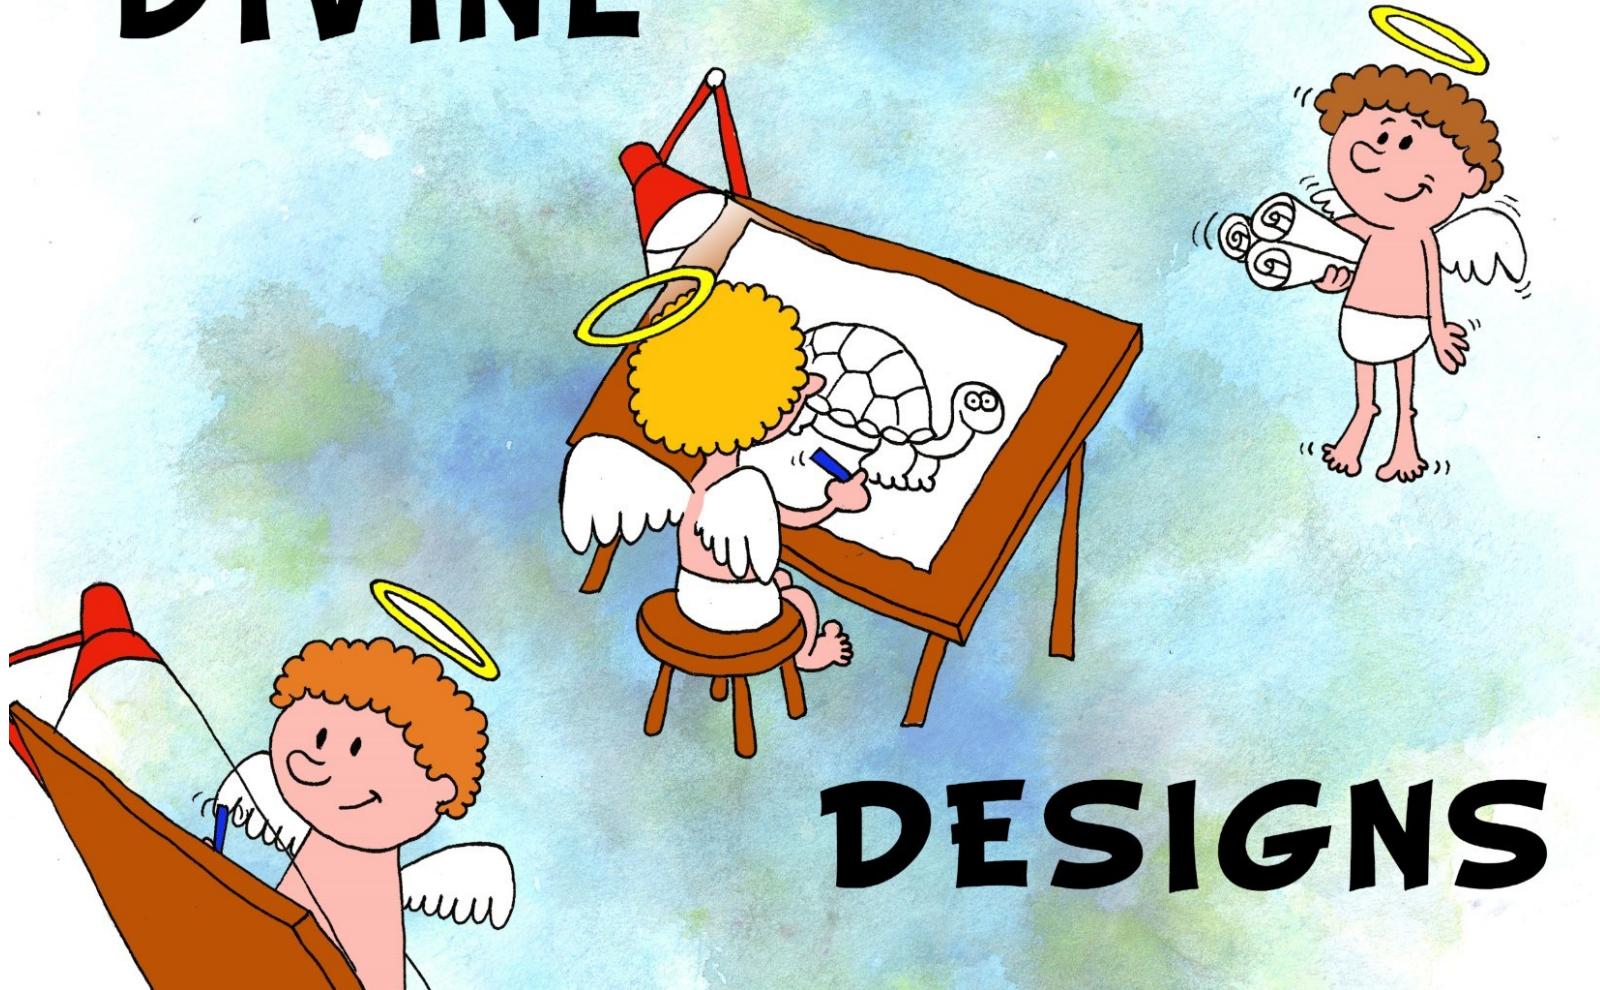

*I whisper in your ear, 'This is why they call Me, Emmanuel - God with YOU. I am always and forever with you. Matthew 1.23. I will never leave you or forsake you. You have MY promise on this. Hebrews 13.5.*

*This is why I was born on Christmas Day. Just for you, My dear child..'*  
*Love, God*

*Please google, 'Born on That Day' by Matt Maher  
And 'Always' by Chris Tomlin*

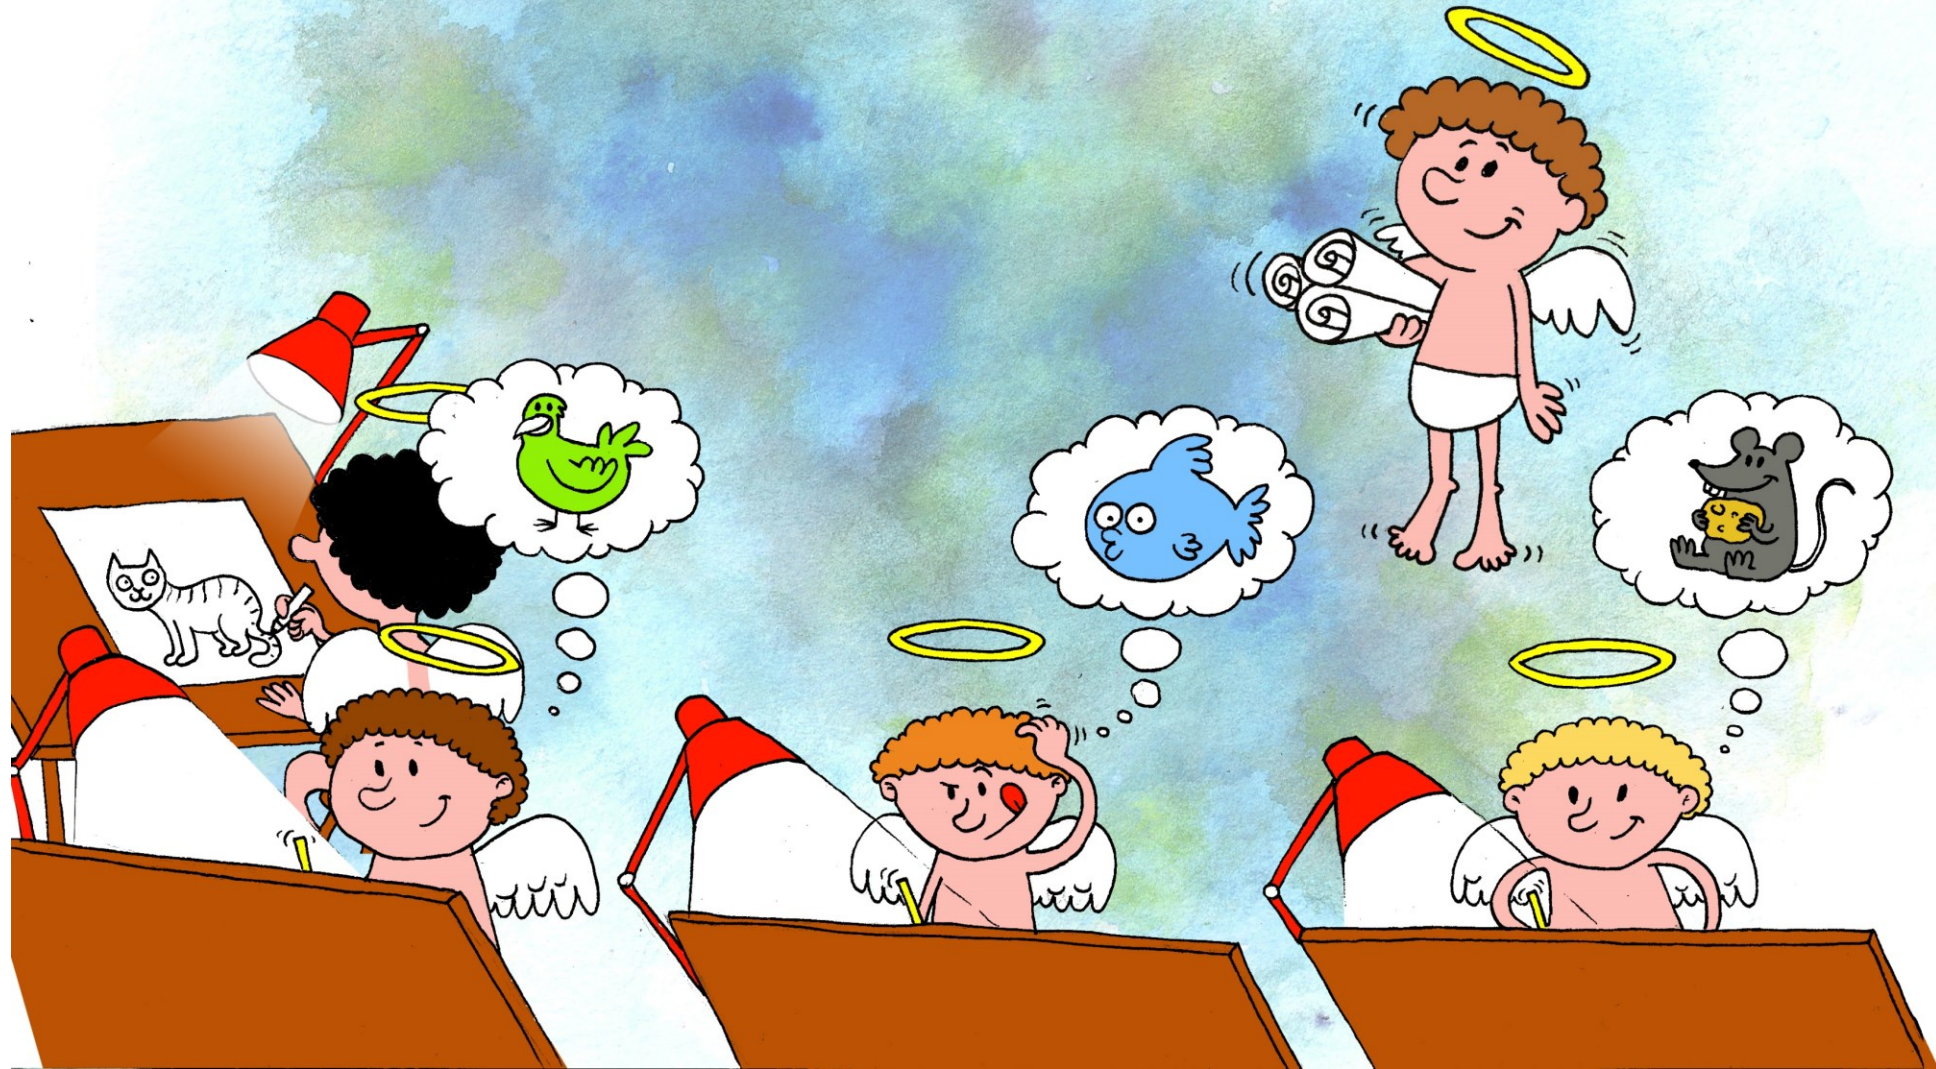

# DIVINE

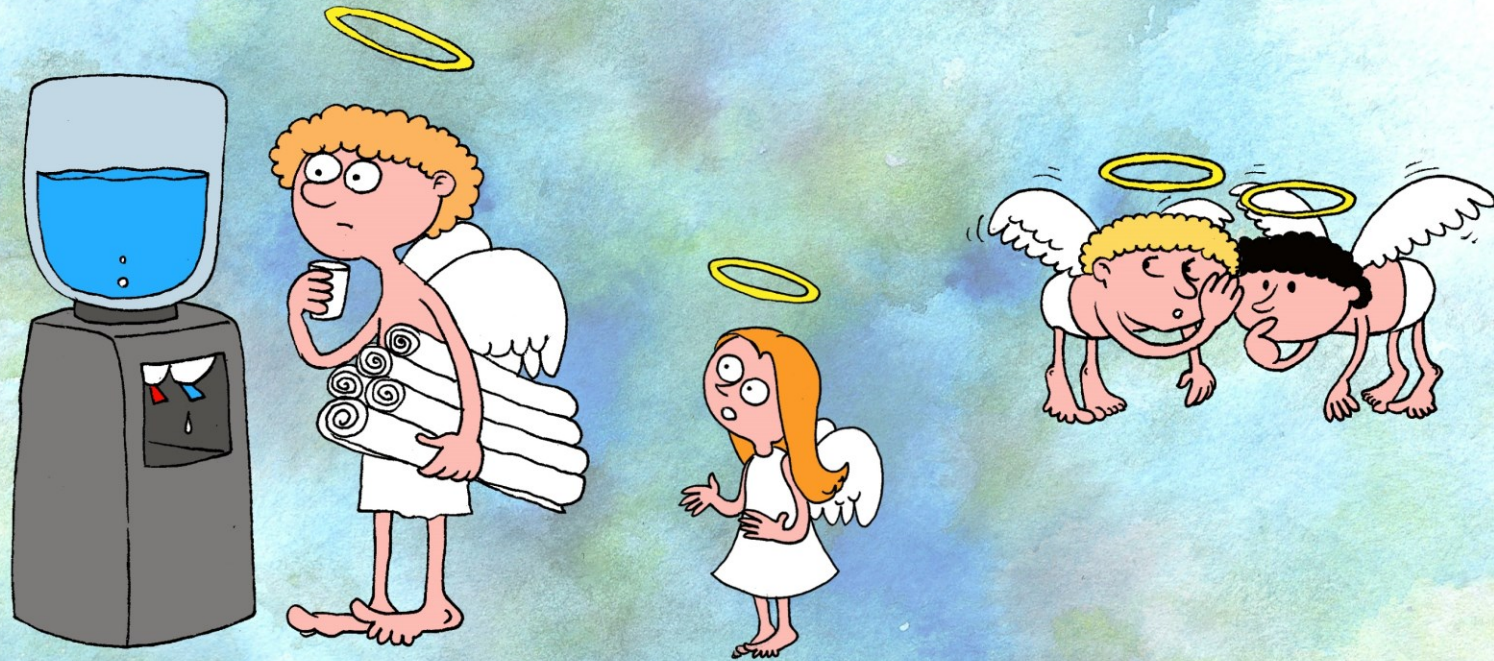

# DESIGNS

Divine Designs is a cute little picture book showcasing all the unique animals around us. The turtle, giraffe, rhino, whales, hummingbirds, and more!

A long, long time ago, many angels were working on animal designs.

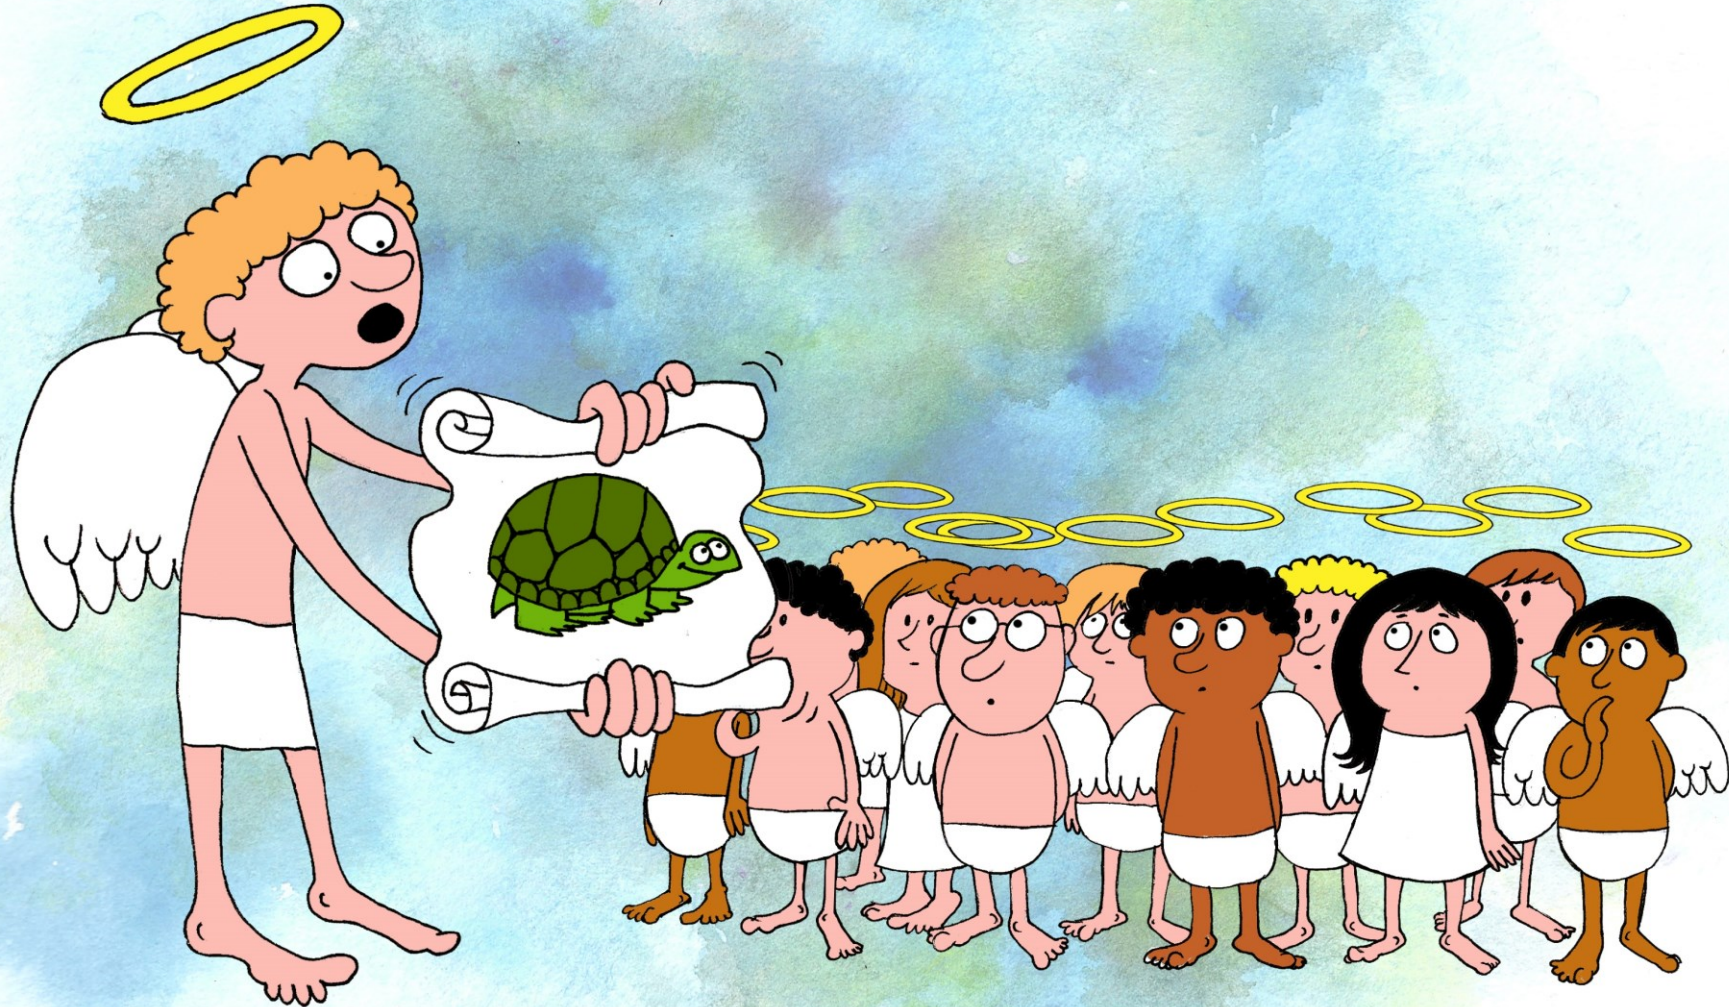

However, the boss angel was having a very bad day.

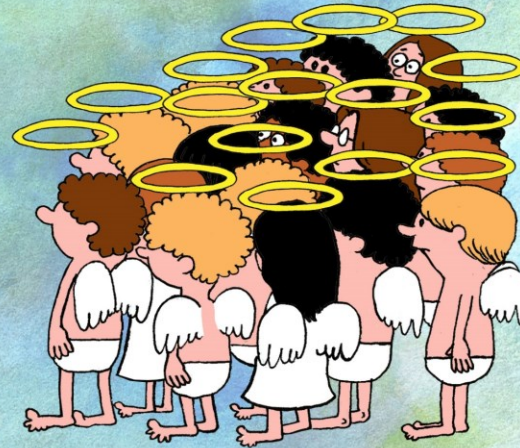

*“What’s wrong?”* Evelyn asked.

“The new intern angel, Angel Michael, designed this! No fur! No feathers! Just a hard and lumpy covering he calls a shell. He calls it a turtle.”

“And this...is a design disaster if I ever saw one! How would we ever get this neck on this body? I told him to make the neck shorter. He says his design is for only seven bones in the neck of this animal just like a person’s neck and that the neck is long so they will eat leaves that are very high in trees. He calls it a giraffe.”

“With his design, males can be as tall as two floors of an office building. He made a giraffe’s color pattern brown and patchy looking so they blend in with their surroundings – something he calls camouflage.”

Terrie Sizemore established A 2 Z Press in 2016 and has added many great authors. She is proud to say her pub house is G-rated material only and family friendly at all times. She would like to share her books with faith-based themes for all age readers.
