The Lost Dragon

Moira Andrew

The Lost Dragon is a cute story told in rhyme about a lost little dragon!

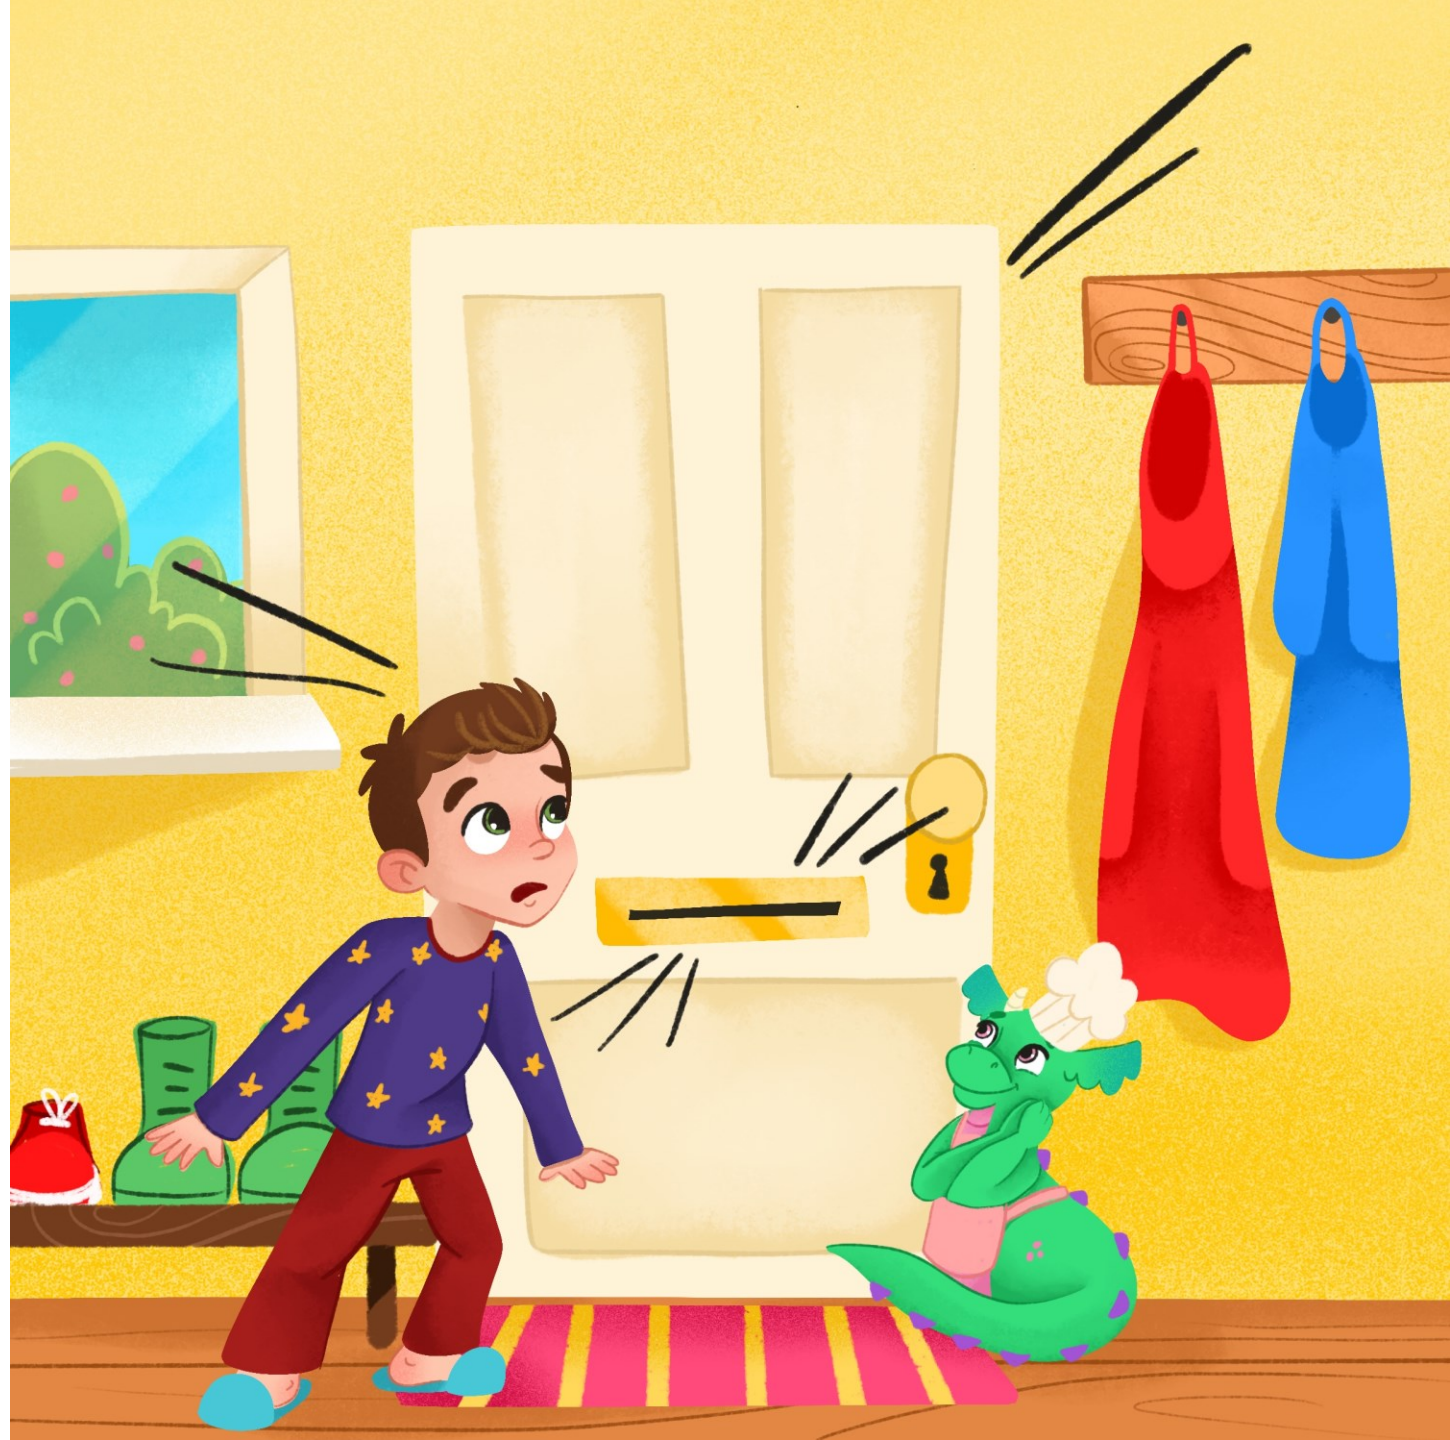

Who is found by a boy
and his dad!

Who soon discover the
little guy can make great
breakfast toast!

And then, suddenly,
there was a knock at the
door!

That turned out to be a very sad mama dragon who has lost her little one that's a mini version of her!

The little guy wants to show his mama how he makes breakfast toast! Come, see how cute this little dragon is.

Portrait of a Dragon

by Moira Andrew
illustrated by Denise Prado

Portrait of a dragon is
one girl's artistic
creativity that allows her
to draw her own dragon!

This cute little mouse is a wonderful mouse for every child and is in every movie the studio makes and, boy, does he have fun!

If I were an artist,
I'd paint a portrait
of a dragon.

I'd gather my easel,
paints, a palette,

I'd picture the dragon
in my head,

pin paper
to my board.

I'd wear my painter's
smock to make me
look the part.

To do a proper job,

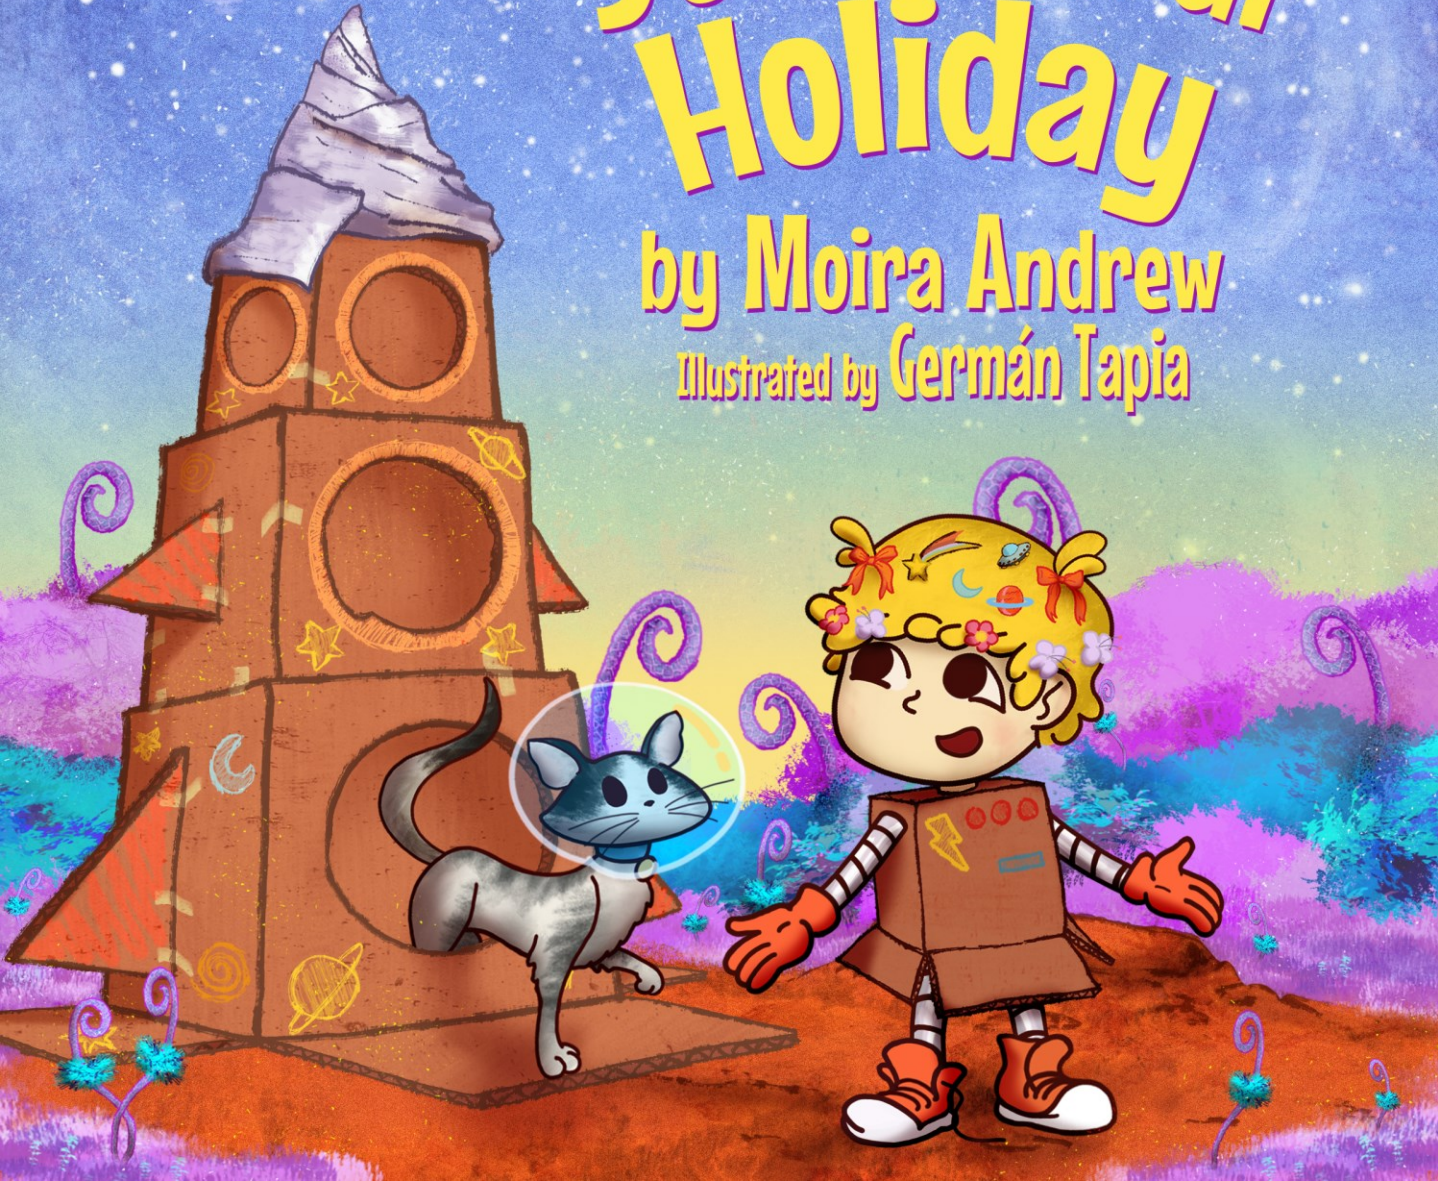

I'd borrow colours
from the world.

Joe's Astral Holiday

by Moira Andrew

Illustrated by Germán Tapia

Joe wants to go to
space!

He gets a 'one-way'
ticket to go to space!

So, he packs everything
and when he gets to
space, he wants to meet
everyone there.

And laugh and have fun
talking to all the space
people.

Oh, how he wants to go
to space with his little
kitty too!

And plays all day until
his mum comes to take
him to his Earth bed!
